Please fill out the other sheet, attached and turn in.

Volunteers are what make the PTA work and are always needed! You can volunteer to chair an event, help plan an event, or even just help out behind the scenes doing things like copying, taking pictures for the yearbook, or making phone calls!

Volunteering for PTA events is a great way to get involved in your child's school! Take a look at the following list and check anything you may be interested in helping out with! If you're not sure what you'd like to help with, but you know you want to help, that's ok! Check that box and we'll contact you when help is needed! Also, don't forget to attend PTA meetings the first Tuesday evening of every month at 7:00 in the library! We hope to see you there!
